Flower Fund & Mission Work

Thank you to all who contributed to the flower fund on Palm Sunday and during Easter celebrations. The flower fund not only provides for the beautification of our beloved Church throughout the year, but also allows for ongoing mission work within our Parish. With your generous donations to the fund, the Benevolence Committee under the capable leadership of **Johanna Dzenick**, is able to reach out to St. Andrew's members with gifts of flowers, cards and other small tokens of love on behalf of the Parish. Among recipients of these gifts and visits are the ill, shut-in and bereaved. If you know of members who fall into these categories, please contact Fr. Yuriy or Johanna, or leave a message with Stephanie McNee at the church office. We are grateful to all who generously give their time to make compassionate phone calls and visitations on behalf of the Parish. God Bless your mission work!
