A NOTE OF THANKS ...

Christ is in our midst!

I would like to take this opportunity to inform you of the event that took place over the weekend of June 25 and 26, 2011...**The Enbridge Ride to Conquer Cancer** in southern Alberta. We embarked on our epic journey on June 25th at 8:30 a.m. from Spruce Meadows, travelling down south through Okotoks, Longview and camping overnight at Chain Lakes. The scenery was breathtaking (and so was climbing the hills). I completed 80 Kms on the first day, but because I did not have the proper rain gear, I did not embark for the finish line on the 2nd day. Hey, 80 Kms on my first attempt is great! This year Alberta riders (2280 in total) raised a whopping \$8.6+ million for the Alberta Cancer Foundation. It was awe-inspiring to see the survivors of cancer, or who are battling cancer, cross the finish line and just anyone who finished the 200+ Kms...it was truly inspirational, moving and touching. I intend on doing all 200 Kms next year, rain or shine. :) I have signed up again, and I ask that you consider donating again to this very worthwhile cause. This cause is very near and dear to my heart as I know too many people who are battling and/or lost their battle with cancer. It's a terrible disease that needs a cure. I wish to raise double what I did last year, meaning, I would like to raise \$5,000+ for the 2012 Enbridge Ride to Conquer Cancer.
